

# JAHU Tailgate 2021

DECEMBER 19

11:00 AM - 1:00 PM

- JAHU is hosting this Tailgate in partnership with **Challenge Enterprises**, and **The Fathers Heart**, both local non-profit organizations helping those in need locally in the First Coast area.

- Challenge Enterprises ([ChallengeEnterprises.org](http://ChallengeEnterprises.org)) supports individuals with different abilities with job training, residential programs and other services.

- Catering by **Southern Smoke BBQ** ([thefathersheart.us](http://thefathersheart.us)). Proceeds from their catering events supports hundreds of local families experiencing food insecurities (feed yourself to feed someone else).

Come join your fellow industry colleagues, as we wind down the 4th quarter and enjoy some fantastic BBQ, comraderie and helping out two local nonprofit organizations.
